U.S. Senator Herb Kohl
Need to Stand Up
to Union Intimidation**

Stop the Employee Free Choice Act (EFCA)!

I work hard. And if unions try to organize at my work I should be free to choose without pressure.

But a bill in Congress (H.R. 1409 / S. 560) would take away our right to a secret ballot and force workers to reveal their vote.

Even worse, union organizers could show up at my home and pressure me into joining a union. And they don't take no for an answer.

They call it the Employee Free Choice Act, it's really the *Employee Forced Choice Act*.

**Call Rep. Steve Kagen at (920) 380-0061
and Sen. Herb Kohl at (920) 738-1640
and urge them to vote "NO" on the
Employee Free Choice Act (EFCA)!**
