

REGIONAL NETWORKS

Regional Networks are meetings held by WMC to foster networking for business leaders in Wisconsin. WMC aims to provide their members with information they need to successfully run their businesses. As a joint venture, this Regional Network is being held in conjunction with the 2006 Northwest Wisconsin Manufacturing Outreach Center (NWMOC) conference, *Metrics for Manufacturing: Using Tomorrow's Tools for Today*.

Dear Wisconsin Business Leader,

WMC is at the forefront of Wisconsin's business community, and we enhance your business's ability to thrive in these changing times. Because we also want to afford you the opportunity to network with your peers and keep you up-to-date on the latest issues affecting your business, we are hosting a meeting and reception on the first day of the Northwest Wisconsin Manufacturing Outreach Center conference, **Metrics for Manufacturing**.

This reception is free to Wisconsin business operators. WMC members, guests, and attendees of the Metrics for Manufacturing conference are all welcome. We hope you will find this session beneficial to your business, and to you as a Wisconsin business leader. Do not hesitate to call if there is anything we can do for you.

All the best,

James S. Haney
