

YOUR BUSINESS CONNECTION

Discover the Benefits of Membership

"I joined the Greater Brookfield Chamber of Commerce when I started my business in 2009. I learned early on that consistency in attendance was going to be my key to success in establishing relationships and referral opportunities. During my first two years with the Chamber, I attended the ABLE breakfast meetings consistently, missed only a few of the fabulous Business After 5's and attended a number of ribbon cutting ceremonies, legislative updates, maximize your membership and speed networking events. Through these programs, I have met literally hundreds of great people providing a wide range of products and services...many that I now use.

I would urge anyone looking to grow their business to give serious consideration to the Greater Brookfield Chamber of Commerce. The staff of caring professionals, coupled with their great program line-up make it very easy for a business to get noticed. All you have to do is show up and engage."

-Robert Suycott, Tailor Made Benefit Solutions

NETWORKING PROGRAMS

- ☑ **Business After 5** – Our signature event, held monthly exclusively at Chamber member businesses. You can expand your business day and gain valuable exposure to up to 120 Chamber members.
- ☑ **ABLE** – Active Business Leads Exchange, a structured breakfast networking program where you can get your business message out to approximately 60 other businesses. Hosted by the Greater Brookfield Chamber of Commerce in conjunction with the West Allis/West Milwaukee and Wauwatosa West Suburban Chamber.
- ☑ **Speed Networking** - “New Take on Fast Food” – Held quarterly over the lunch hour. Swap business cards with other attendees as you “speed” network. Box lunch included with time to connect in more depth.
- ☑ **Summit Young Professionals** – The mission of Summit is to allow motivated young professionals ages 21 to 35 to build their network, learn from their peers and play an active role in supporting the greater Brookfield area through their community involvement. Meetings are held monthly and will focus on education, networking, and community service.
